Rose dreams of creating dresses for the women of Paris. But when a chance encounter with royalty changes her life, Rose must draw on all her skills to create the most breathtaking dress of them all.

- Based on the life of Rose Bertin, (credited with creating haute-couture).
- Inspiring, bold, readable story.
- Full-color illustrations; evocative sense of period.
- Author of the best-selling *The Mystery of the Clockwork Sparrow*.
- Companion to *Sophie Takes to the Sky* (KM 2020).

People clustered around to admire her dress, and the princess soon forgot to feel shy as she looked at her dress and her wonderful dressmaker.

6  
She saw Louise, who lived in a house with a beautiful garden, and Rose piled Louise's hair high on her head and decorated it with butterflies and roses.

7  
She saw François, the fisherman, and she made him a glittering jacket of fish scales and a top hat crowned with a ship in full sail.
