*Events of the last few years have led to an increase in feelings of isolation, anxiety, and depression in children, bringing increased awareness and emphasis on Social and Emotional Learning (SEL) on the part of parents and educators.*

- **Goals of Social and Emotional Learning for children:**

- Promote self-awareness to better understand and identify their emotions
- Improve self-management, increasing self-control, self-confidence, and the ability to manage stress
- Inspire social awareness and development of empathy
- Cultivate interpersonal skills for better relationships
- Bolster responsible decision-making and emotional intelligence
- Encourage goal setting, leading to academic achievement and success in later life

- **How *Big Words for Little People* books promote SEL:**

- Concepts and values presented through relatable, everyday life situations
- Text and situations depicted invite discussion, as well as offering creative opportunities for imagining, drawing and/or writing about additional scenarios and applications
- Supplemental material provides an impetus for reflection and implementation

- **Other Kane Miller SEL titles include these and many more:**

- *How Do You Make a Rainbow*  
Caroline Crowe \* Cally Johnson-Isaacs \* 64-275-5
- *Barbara Throws a Wobbler*
