Graphic novels are a good choice for struggling readers.

Second-grade level but with enough relatable, humorous content to appeal to the older reader as well.

Fast-paced action while also showcasing themes of friendship, imagination, teamwork, and cooperation.

- **Benefits of graphic novel format**

- Less text than traditional formats seen as less overwhelming
- Provides reading practice, leading to gain in confidence and sense of accomplishment
- Images alongside words provides a bridge for understanding the text, pictures offer clues to comprehension
- Some readers may gain understanding from observing emotions shown by characters in the illustrations
- Requires ability to perceive plot, narrative, problem, resolution, as in traditional prose formats

- **Other illustrated books with older reader appeal**

- *My Book (Not Yours)*
Ben Sanders * 64-065-2
- *My Pet (Not Yours)*
Ben Sanders * 64-085-0
- *Another Book About Bears.*
Laura Bunting * Philip Bunting * 64-084-3
- *The Greatest Magician in the World*
Matt Edmonson * Garry Parsons * 64-025-6
