

COMPARISONS BIG AND SMALL

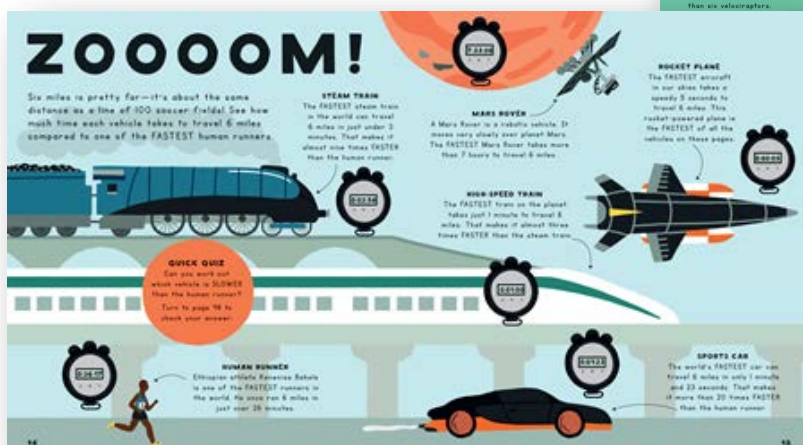

Clive Gifford * Ana Seixas

Nonfiction | 978-1-68464-086-7 | Ages 5+ | Hardcover | 10 x 11 | 48 pp | \$14.99 | LOC: 2019946975

From which animal is the fastest to which planet in the galaxy weighs the most, this book of visual comparisons familiarizes young children with figures and measurements without using long numbers or complicated concepts.

- Encourages children to understand simple comparatives and superlatives.
- Engaging and playful; not complicated.
- Enhances math skills.
- Wide-ranging subject matter; space to sports.
