- Showcases family togetherness.
- Softly textured, mixed-media illustrations; sturdy, cardstock pages.
- Just right before-bedtime sharing.
- Pairs beautifully with *B Is for Bedtime* (KM 2015) by same creators to make ideal gift.

Saturday with violets
And thread for sewing through,
To make my gran a violet crown
That tells her 'I love you.'

Orange soup on Monday,
With pumpkin in the pot,
I blow on mine to cool it down,
but grown-ups like it hot.
