Sally and Dave, A Slug Story

By Felice Arena

From Australia

About the Book

Sally is a sleek, slim and simply stunning slug... and she knows it. She can't resist reminding her neighbor, Dave, that he's just a common fat slug who spends his time sitting on his slimy slug bottom. But when Sally's life is seriously at stake, Dave steps in and saves the day!

Alliterations abound in this terrific tongue-twister of a tale.
