Review Praise

"Funny, respectful, and cathartic—exhilarating."
— *Kirkus Reviews*, **STARRED**

"An adventure, an emotional journey, a course in empowerment—this SEL-appropriate story will find a home with preschoolers and give them words for their own wobbly moments." — *School Library Journal*

"Elementary counselors and teachers would benefit from having a copy of this one and revisiting it often!"
— *Little Cub Literacy*

"... takes a sensitive approach to identifying what sets a Wobbler off, and how to shrink it back down once it appears." — *Mom Read It*

"... a must-have addition to any child's bookshelf."
— *Nanny Miss Monique*
