"It was addressed to the Secret Mystery Club," Jack adds. "And it's written in code!"

"No, it's not," says Mika, turning the page the other way around. "It's in Japanese!"

"What?" says Billie. She's not sure if she feels **happy** or **annoyed** that Mika has cracked the code so easily. "Are you sure?"

Mika rolls her eyes. "Of course I'm sure. I can read Japanese, you know."
