

# MEASURING ME!

Nicola Kent

Nonfiction | 978-1-68464-787-3 | Ages 4+ | Hardcover | 9 x 10 1/2 | 32 pp | \$19.99 | LOC: 2023935090

Explore the concept of measuring in a personal way!

- Encourages children to consider different kinds of measurement.
- Engaging and playful; not complicated.
- Math concepts; learning about the body.
- Includes a pull-out height chart.
- All facts and figures based on an average five-year-old in the Western world.
- **Award:** *Eureka! Nonfiction Children's Silver Book Award*

## Review Praise

"This is a great introduction to a measurements unit ..." – *Youth Services Book Review*

"Colorful illustrations ... feature an inclusive and diverse group of kids ... There is a lot of fun to be had here ... you can include the height chart as part of a storytime and have readers see how they measure up." – *Mom Read It*

A strong purchase for storytime as well as general library collections" – *Jean Little Library*

"... making learning about the human body and the world we live in enjoyable, approachable, and awe inspiring." – *Nanny Miss Monique*
