A first pet! It's so exciting, but there's a lot to learn!

- Engaging stories with real-life facts.
- Child-friendly text.
- Written by a practicing veterinarian.
- Charming, child-friendly illustrations.
- Over 60% of American households own a pet.

### Review Praise

"... an excellent introduction to the responsibilities and rewards of good pet care ... A companion series title ... is also highly recommended ..." – *Midwest Book Review*, "Children's Bookwatch"

"... great for my younger readers. Encourage families to read this one together ..." – *Mom Read It*
